

CORRU SLIDE[®]

WATERTIGHT, ADJUSTABLE HINGED MOUNT

CorruSlide is engineered for a universal fit on nearly all corrugated metal roof profiles. The adjustable hinge-style mount attaches to the sides of the panel ribs, away from the valleys where water flows, and moisture accumulates. CorruSlide features North-South & East-West adjustability, and the pre-installed EPDM gasket tape and five self-tapping screws with EPDM washers ensure rugged watertight performance.

FEATURES & BENEFITS

- Patented watertight technology
- Versatile hinge design fits any profile
- Pre-installed EPDM gasket tape forms an impenetrable moisture barrier
- Five self-tapping screws with EPDM washers ensure optimum strength
- Ideal for use on both commercial and residential applications
